## MIRROR WINS AND LOSES ONE

In a league fixture at Mirror Thursday evening of last week the local team treated the Ponoka team to a hard beating. The score board showing Mirror the winners by 18 runs to 0. It was an uninteresting game to watch, being too one-sided, and the Mirrorites simply overwhelmed Ponoka in all departments of the game. The chief items of interest were: C. Ray at first pulled off a double play unassisted; Turner struck out 18 Ponoka men; the hitting of the Mirror team.

R H E  
Ponoka..... 000 000 000-0 2 17  
Mirror..... 012 035 026-18 18 7  
Ponoka: Bures, 3b; Watson, c.f.; Lewis, 1b; Hamby, r.f.; M. Bures, ss; Walkin, 2b; Stoddart, c; Longman, 1f; Dittburner, p.  
Mirror: A. Ray, c; Ryan 1b; C. Ray, cf; Walker, 2b; Lapp, 3b; Wagner, ss; Cairns, r.f.; Hoeman, 1f; Tulloch, sub.; J. Purcell, Mirror, umpire.

The Mirror team had their first loss this season at Red Deer on Tuesday evening, when they took the small end of a 4 to 2 score. It was a great game for the home team to win and any Red Deer supporters would have been heart trouble with a trace of heart trouble would have been during the contest. There were exciting moments.

Mirror took the lead in the second innings when they showed two men across home plate. Turner made first on an error by Smith, got to second, stole third, and came home on Lapp's hit; Wagner walked; Cairns reached first on another error by Smith; Lapp came in on the play, neither side scored until the seventh innings, although in the fourth, Mirror threatened when they had men on all bases with none out. The seventh was a great rally from the Red Deer standpoint. Nelson and Weber hit succession, Langley struck out, Smith hit for one sack, clearing the bases. That ended the score. Osterland made first on a fielder's choice, Smith going out at second. Malcolm connected for a two-base bang and Osterland trotted home; and in the ninth, on consequent relay, the ball in, and a wild throw, Malcolm managed to cross the plate. Seventeen Red Deer fans swallowed their Spurnat at this stage of the proceedings.

Mirror then rushed up the storming troops. C. Ray, Walker and Turner all hit for singles and the three corners were again filled with none retired. Lapp hit and Ray went out on a fielder's choice, Smith to McLaren. Wagner struck out and Cairns fled out to Nelson. It was great while it lasted. Struck out, by Walker 6, by Osterland 12; base on balls, Walker 1, Osterland 2; left on bases, Mirror 8, Red Deer 3; two-base hits, Cairns, Malcolm; double play, Weber to Malcolm to Smith.

Mirror: A. Ray, c; C. Ray, 1b; Walker p.; Turner 3b; Lapp, 3b; Wagner, ss; Cairns, r.f.; Hoeman, 1f; McCormick, c.f.; Red Deer: Malcolm, 2b; McLaren, c; Houston, r.f.; Norris, cf; Nelson, 3b; Weber, ss; Langley 1f; Smith 1b; Osterland p.

## Welcome Showers

The Mirror district shared in the rain which seems to have covered most of the province last Sunday, and again on Wednesday night a light shower helped along with the good work. A frost on Monday morning played havoc with a quantity of garden stuff but no damage is reported to the grain.

Mirror Sports, July First.

## SCHOOL CHILDREN ATTEND SPORTS

The following is an account of the Sports Day held at Alix last Saturday, written as a composition by one of the pupils of Grade VIII:

Alix held a Sports Day on Saturday, June 7th. The Alix, Eskine, Mirror, Ripley and some other country schools, also the Stettler basketball team, all joined. Alix gave their own badge tests to the boys who could jump fourteen feet in a broad jump; those who climbed themselves nine times; to the small girls who balanced on top of three times walking both frontward and backward; and the small girls who ran in a certain time. Most of the pupils who tried were successful.

The badges were ribbons of different colors and when four were won a larger badge was given. In the potato races the larger badges were given to the first and second. Baseball games were played between the senior pupils of Alix, Eskine, Stettler, Bashaw and Mirror in tournament style. Mirror and Eskine played the first game and Mirror was beaten. Alix and Eskine played next and Alix was successful. Alix and Stettler then played and Stettler lost. Mirror and Bashaw also played and at last Mirror was successful. Alix, however, was champion of them.

The senior basketball games were between Mirror and Eskine; Stettler and Alix; Alix and Eskine. Mirror was beaten by Eskine and Stettler, but Alix was the victor. Alix and Eskine played, Alix was badly beaten.

The Alix grounds are fairly large. There were three tetter, totters and they were not still any time throughout the day.

There was also a refreshment booth where they sold things one likes.

It was the best Sports Day I ever attended.

—Marjorie Holditch.

## Work On Assessment

The preliminaries of making a new assessment for Lamerton Municipal District, No. 398 have been about completed, and next Tuesday, June 10th, the assistant assessors will commence on their part of the work. Reeve Jewell and R. G. Lowe, secretary-treasurer and James Brindle and Harry Ford were in Edmonton last Thursday and Friday, attending a school of instruction on the assessment. It is expected that it will take from two to three months to complete the outside part of the assessing and secure the information required by the department of municipal affairs. A meeting of the assessors of the municipal districts surrounding Lamerton district will be held in the very near future to discuss values of the boundary lands, and arrange so that the assessment be made as fair and equal as possible on those lands.

The assistant assessors who have been engaged to assist Mr. Lowe are, B. Ford, Jas. Brindle, Mr. Meadows, M.M. McMillan and J. E. Merrifield.

## Close Call From Fire

About 8.30 on Wednesday (this morning) smoke was seen issuing from the roof of the barn of G.J. Estell, and in a very short time a number of helpers were on hand to render assistance. It was only through the strenuous efforts of the volunteer bucket brigade and the use of chemicals, that the barn was saved from complete destruction, as it was, the fire was hard to fight on account of it being in the hay in the loft. The cause of the fire is unknown, but is supposed to have been caused by the heating of chaff in the barn.

## NEW PROPOSAL FOR GOVERNMENT BANK INSPECTION

Ottawa.—Hon. J. A. Robt, acting minister of finance, laid before the Banking Committee of the House the proposed scheme of government bank inspection. The important provisions of the scheme are:

(1) A general inspection of banks will be appointed by the Minister of Finance. The Inspector may be removed by order-in-council for incapacity, misbehavior or incompetence. It will be the duty of the Inspector to examine the head offices of all banks at least once a year and any branch that he may consider it necessary to examine. Confidential reports now sent by the shareholders' auditors to the directors of a bank, will be available to the inspectors.

(2) The inspectors will be given power to examine the general manager or the officials under oath.

(3) Under the present Bank Act, if there is an indication that a bank is going wrong, there is no provision for winding it up.

It is now proposed that, when the Inspector is satisfied that a bank is insolvent he shall report to the Minister of Finance who may then, without waiting for the bank to surrender payment, request the directors to appoint a curator. This will automatically prevent the bank from accepting further deposits.

(4) It is proposed that the bank shall be assessed on their assets for the cost of the Inspector and of the officials engaged under him.

## Pronounce "Death Ray" Myth

Deadly Power Failed to Materialize Under Recent Tests

London.—"The deadly power of the death ray" failed to materialize in the recent government tests the House of Commons was told by William Leach, under-secretary of the air ministry.

During the tests, he said, one of the ministry's experts placed himself in the path of the ray only 10 yards distant from the point of emission. If the inventor's claim had been borne out the expert ought to have disappeared, but the under-secretary was pleased to report that he was doing "very nicely," and when last seen showed no signs of having suffered.

## Forest Fire Destroys Camp Equipment

Loss to Hage Logging Co. Estimated At \$100,000

Vancouver.—The logging camp, equipment and several miles of logging railroad owned by the Hage Logging Company of Port Couillard, about 20 miles east of this city, were destroyed by a forest fire which broke out in the entire district. The loss to the logging company is estimated at \$100,000.

The loggers had no time to save any part of the camp and the flames made such headway that attempts to check them proved futile, many of the men having to flee for their lives. The flames were fanned by a strong wind and swept everything before them.

## A Strange Suicide

Had a Longing to Find Out Mysteries Beyond the Sky

Quebec.—"Do not mind me. My name would be useless to you. But I wish the world to know that I committed suicide because I was too happy. I always got what I wanted in my life. My parents are millionaires. I realized all that it was humanly possible to wish. I had lived life good enough to remain in it. I have a strong longing to find out what there is in another life, and I am going away."

So read a note pinned on the coat of an unknown young man, found slumped through the head alongside a limousine leaving a New York state library. In the words near the Maine border, at St. Come de Duane.

Will Preside Standing Committee  
Ottawa.—Hon. G. P. Graham, minister of finance, intends to propose in the House the creation of a standing committee to which will be referred the estimates of the Canadian National Railways and the Canadian Government Merchant Marine. When the railway budget was debated in the House, Mr. Graham indicated his approval of such a committee.

"Shenandoah" Visited Canada  
Lakehurst, N.J.—The Shenandoah, giant navy dirigible, returned to its home about 24 hours after beginning a 1,600-mile trip over three states, during which it crossed the Canadian border at Niagara Falls.

W. N. L. 1528

## Want Restoration Of Crow's Nest Pass Agreement

Winipeg.—Emphasizing that the restoration of the Crow's Nest Pass agreement is of vital importance to the people of Western Canada, the Winnipeg Board of Trade adopted a resolution protesting against further suspension of the agreement. A copy of the resolution will be forwarded to Premier Mackenzie King and to the western members of the House of Commons. It was also decided to hold a public meeting of protest.

## Company Will Explore Far Northern Islands

British Arctic Expedition Sailing Shortly From Newcastle

London.—The British Arctic expedition, organized by George Hinchey, will shortly sail from Newcastle. The ship has been chartered, a 300-ton Norwegian whaler and a small Norwegian sealing ship. A seaplane, especially designed for Arctic reconnaissance work, will accompany the expedition which has the support of the Royal Geographical Society and the air survey committee of the Air Ministry.

The chief object of the expedition is to explore North East Land, an island to the northwest of the main Spitzbergen island. Other objects are to beat the farthest north record in sailing in navigation and to investigate the northwest of the Franz Joseph Archipelago.

## Many Land Seekers Coming

Minnesota Farmers to Make Tour of the West in Search of Land

Winipeg.—As a result of the extensive reorganization in the United States of the colonization and development department of the Canadian National Railways, splendid results are being obtained. During the past two months, parties of land seekers have been arriving weekly, and in nearly every instance farm sales have been negotiated.

Professor O. B. Grinley, of St. Paul, who recently joined the Canadian National land and sales force, has arrived here with a party of 10 Minnesota farmers, who will make a tour of the west in search of land for themselves and friends, and who will be on the lookout for locations. It is said this is but the forerunner of many experienced farmers.

## Jap Restrictions Cause Anxiety In Britain

Canada's Threat to Cut Quota Might Lead to Complications

London.—The statement made by the Canadian minister of immigration in the House of Commons a few days ago that the Ottawa Government is considering the imposition of further restrictions on Japanese immigration into Canada, is causing much anxiety in Britain lest such a move should lead to further complications, such as those endangering the relations between the United States and Japan. The London Times, in an editorial, maintains that the problem of Japanese expansion is not more serious to the United States than it is to the British Empire. It further comments on the construction of the great naval base at Singapore in view of the possibility of further complications developing in the Pacific.

## Women's Memorial Hospital

London.—Queen Mary will, on July 10, receive from the representatives of the British Women's Hospital and turn over to the governors, the completed Star and Garter House for displaced soldiers and sailors. At Richmond. The building has been erected by the generosity of British women to home, in India, the British Dominion and Colonies throughout the world to form the women's memorial of the Great War.

## Might Pay Further 10 Per Cent.

Ottawa.—Asked whether or not there would be any further payments on the debt of the Dominion, C. T. Clarkson, legislator, told E. G. Gale Porter (Conservative), West Hants, that the members of the Finance Committee on Privileges and Elections, "Under normal conditions a payment of 10 per cent. might be expected."

## Dr. Banting Married

Toronto.—Dr. F. G. Banting, celebrated as the discoverer of insulin for diabetes treatment was married June 4, to Miss Marion Robertson, daughter of William Robertson, of St. John's, Ont., whom he is said to have met five years ago, when she was a year nurse here. After ten days honeymoon in Ontario the couple will leave for South America.

## Britain Favors Adamson Bill

Not Alarmed Over Prospect of Women Voters Outnumbering Men

London.—The eventual passage of the Adamson bill, giving the vote to women 21 years of age is generally taken for granted. As the female voters in Great Britain will considerably outnumber the males, it is not without interest that the event the potential result will be that the destinies of the country would for the first time be placed in the hands of the women, but the prospect seems to be viewed without concern.

The Daily News thinks that the proposed widening of the women's franchise is right and reasonable, and it seems no reason to suppose that the young women will use their privilege as wisely than the young men.

The Daily Express believes the change to be reasonable, logical and in the interests of the highest good of the commonwealth.

The Daily Graphic, while opposed to granting suffrage to anyone at the age of 21, has no reason why the women would exercise it less efficiently than the men. The paper professes to be alarmed at the prospect of the women voters outnumbering the men.

## AMENDMENT TO THE BUDGET IS VOTED DOWN

Ottawa.—On a division of 155 to 36, a Conservative amendment to the budget, presented by A. J. Doucet, Cent. N.B., was voted down in the House of Commons. The majority against the amendment was 99.

Two Liberals, H. M. Marler, of St. Lawrence-St. George, Montreal, and F. N. McCrex, Sherbrooke, voted with the Conservatives. All Liberals, with those exceptions, and all Progressives, voted against the amendment.

Mr. Doucet's amendment was the same as had been prepared previous to the Woodworth amendment being presented, and provided that the welfare of Canada "requires a consistently maintained protective policy."

After the defeat of the Doucet amendment, the bill to give effect to tariff changes, proposed in the budget, was given a second reading, and the House went into committee upon the amendment.

Second reading was then given to a bill amending the "Savings Tax" of 1915, and the House went into committee on the bill. It is to give effect to the changes in the savings tax.

Mr. Doucet said that there were arrears, not only in the Savings Tax, but in the tax on oil. The government had found that if they insisted upon payment of the tax in some cases, it meant that the company concerned would go to the wall. Therefore, they had been lenient. The sales tax, he said, was difficult of collection, but it was equitable.

## ON THE BEACH AT MANITOUL

Long before the paleface came to the beach and rolling prairie, the first man knew and appreciated the curative properties of Little Lake Manitou, which is located near Winnipeg, Saskatchewan, on the main line of the Canadian National Railways. And the first white settlers who came, in answer to the summons, to settle on their homesteads in and around Watrous, soon learned of this lake with its highly mineralized waters, so that Little Lake Manitou had its reputation made when the first settlers reached the country.

Thousands of residents of prairie cities and Little Lake Manitou are an ideal watering place, and excursions are run from time to time over the Canadian National Railways from Saskatoon and other cities to provide citizens with a means of reaching this healthful spot.

The waters of Little Lake Manitou are so highly mineralized that the summer does not differ in heating on their shores and at the same time their mineral qualities are healthful in their action. With a good sandy beach for the children to play on, and water chutes and other enjoyment features erected for their entertainment, Little Lake Manitou has become the ideal picnic spot for the dwellers in the central region of Saskatchewan.

## Women's Peace League

Miss Ella Abeel

State chairman of the Women's International League for Peace and Freedom, who declares there is no truth in the story that members of the association take a pledge against helping their governments in war time.

E. H. Tarr and Rex Ray, the two white men held, will be released on receipt by the bandits of \$200,000 in gold, a hundred pistols, a thousand rifles and a large quantity of ammunition, according to Mr. Jeffray.

Jeffray and Miller endured great hardships in making their way to Fuchow from the mountain stronghold of the bandits. They were told that they would be allowed two weeks to arrange ransom for the captives.

## Bandits Demand Ransom

Missionaries in China Are Released and Return in Placable Condition

Canton, China.—Their clothes torn and their hats lost, Rev. Dr. Robert A. Jeffray, Canadian head of the Christian Missionary Alliance at Fuchow, and Dr. H. G. Miller, also of the Missionary Alliance, were taken to the Woodworth, released by bandits that they might arrange ransom for other missionaries still held captive.

E. H. Tarr and Rex Ray, the two white men held, will be released on receipt by the bandits of \$200,000 in gold, a hundred pistols, a thousand rifles and a large quantity of ammunition, according to Mr. Jeffray.

Jeffray and Miller endured great hardships in making their way to Fuchow from the mountain stronghold of the bandits. They were told that they would be allowed two weeks to arrange ransom for the captives.

## Suede Suicides By Diving From Train

Left Money To Be Sent To Parents In Sweden

The Pas, Man.—Anders L. Anderson, 28, a Swede who had been in Canada one year, dived off the top of the southbound train from The Pas, June 4, while temporary inmate, the coroner's jury decided. Anderson gave all his money to a man on the station platform before the train pulled out of here, with instructions to put two debts for him and send the remainder to his parents in Sweden. Some after the train left The Pas he was seen by a passenger to dive head foremost from the rear end. He was dead when picked up.

## No Shortage of Applicants

Windsor, Ont.—University graduates, who are not only college students and retired officials are among the 80 applicants for the position of caretaker of the City Hall at a salary of \$100 a month.

## Parliament To Protect Innocent Party In Divorce

Ottawa.—Parliament will continue to give the innocent party to a divorce the right of re-marrying without infringing the rights of the other party. The Senate divorce bill, which was introduced a new form of divorce bill, which merely dissolved the marriage and omitted all reference to the right of re-marrying. There was a fear, however, that this new bill might create legal difficulties as regards remarriage, and in consequence, the House committee put back in some to divorce bill the old section conferring the right of remarriage.

## Shows Amount Spent On Seed Advances

Ottawa.—The House of Commons, in committee of supply, received from Hon. Charles Stewart, estimates for Dominion lands and parks. An item of \$50,000 for provision of migratory birds was adopted with little discussion.

In connection with the vote of \$20,000 for the administration of the act in regard to seed grain advances, Mr. Stewart stated that the total amount now outstanding was \$2,751,775 of principal and \$1,564,934 of interest, payable on a total advance of \$18,000,000. The amount collected last year was \$288,000, and the cost of administration was \$60,000.

The minister estimated the cost of \$100,000 required to provide, by way of supplies of food, clothing, fuel, etc., for needy settlers in Alberta and Saskatchewan, by the operation and agreement with the provincial governments. The vote was reduced from \$100,000 to \$125,000.

To permit the government to bring down some further information demanded by the opposition, the item was allowed to stand over.

## Fortunes Won On Derby

Kenya Colony Man Gets Calculated Sweepstakes of \$350,000

London.—Several large fortunes have been won by persons in various parts of the British Empire in sweepstakes on the results of the Derby, which was won by the Earl of Derby's horse, the richest prize, the Calcutta Sweepstakes, of £70,000, going to a man living at Nairobi, Kenya Colony.

Second prize in the Calcutta Sweepstakes, worth £25,000, was won by Harcourt Johnstone, member of parliament, who had previously defeated the five to one favorite in the stakes for £2,000. Phillip Millard, a London engineer, won the Stock Exchange chapter, which was worth £10,000, and also disposed of a half interest. Second prize of £3,000, all shared by three London brokers, all members of the Stock Exchange. Several other sweepstakes netted up to £5,000.

## Plan Big Building Programme

Bank Co-operative Elevator Company Will Spend Half Million

Regina.—If present plans are carried out, the Regina elevator company will be building a new grain elevator on the site of the old one, which was destroyed by a half interest. Second prize of £3,000, all shared by three London brokers, all members of the Stock Exchange. Several other sweepstakes netted up to £5,000.

## OTHER NATIONS RESPECTED BY TRUE PATRIOTS

Toronto.—Considering those who have been advocates of that type of patriotism, maintaining that children are equally for all because it does not care profoundly for any, Rev. Dr. H. J. Morgan, president of the Imperial Order Daughters of the Empire, said:

"I do not think we need to be patriotic in the sense of patriotism. Patriotism may be proper or improper," he continued, "but Christian patriotism will never despise or disdain any nation, for just because it is another country."

"That little island over the seas," which was the mother of the present mightiest family of dominions, he spoke of in glowing terms, which drew tremendous applause from the audience, in which there was a generous outburst of the song of the Empire.

As a result of discussion of the immigration report of Mrs. William Peary, of Quebec, at the convention of the Daughters of the Empire, a resolution will be sent to the National chapter, maintaining that children are equally for all because it does not care profoundly for any, Rev. Dr. H. J. Morgan, president of the Imperial Order Daughters of the Empire, said:

"I do not think we need to be patriotic in the sense of patriotism. Patriotism may be proper or improper," he continued, "but Christian patriotism will never despise or disdain any nation, for just because it is another country."

As a result of discussion of the immigration report of Mrs. William Peary, of Quebec, at the convention of the Daughters of the Empire, a resolution will be sent to the National chapter, maintaining that children are equally for all because it does not care profoundly for any, Rev. Dr. H. J. Morgan, president of the Imperial Order Daughters of the Empire, said:

"I do not think we need to be patriotic in the sense of patriotism. Patriotism may be proper or improper," he continued, "but Christian patriotism will never despise or disdain any nation, for just because it is another country."

### Farm Statistics Wanted

In conjunction with the Dominion Bureau of Statistics, the Provincial Department of Agriculture is now engaged in its annual enumeration of areas sown to crop and of farm livestock throughout the province.

Card schedules upon which the farmers are asked to enumerate the areas sown to various crops on their farms, and the number of livestock owned by them or sold and slaughtered during the past season, have been distributed by the Dominion Bureau in co-operation with the provincial department. These schedules have been mailed to secretaries of school districts, for distribution to farmers through the medium of the school teachers and school children, and through other means.

The co-operation of the farmers of the province is earnestly solicited in this work. This enumeration is simply an agricultural stock-taking, and the statistics gathered thereby are reliable only insofar as the farmers give their co-operation, and provide accurate returns. Farmers need not fear that these returns will be used for income tax purposes. The returns are received and dealt with under secrecy, and the individual returns are not published, merely the resulting totals.

The schedules, when filled out by the farmers, should be re-

turned to the school teacher, or to the secretary-treasurer of the school district, who will in turn, mail them back to the Department of Agriculture at Edmonton. These schedules later are sorted into crop districts and sent to the Dominion Bureau of Statistics at Ottawa for final compilation.

Farmers are asked to fill in the schedules as accurately as possible, and return them at the earliest possible moment. School teachers or secretaries who find the supply of schedules sent them insufficient, may secure more by applying to the Department of Agriculture at Edmonton.

### Buy Your Tickets Locally

When making a trip to some distant point you should buy your railway ticket at the station here. When you go to the city to buy your ticket, you are out your fare and expenses and pay the same rates as you would

Buy here. Save this extra cost—and increase Mirror business.

If you contemplate a trip to the Old Country, or if you purpose bringing friends from the Old Country, all arrangements can be made with the local Canadian National Station agent, who represents all steamship companies.

## Mirror and the District

Mr. and Mrs. Frank Morrison are Calgary visitors this week.

J. J. Cairns was a Calgary visitor on Thursday of last week.

Mr. and Mrs. Geo. Skott were in Edmonton for Sunday and Monday.

G. J. Estell is having the exterior of his house painted a buff with white trimmings.

Mr. and Mrs. E. E. Estell returned from Edmonton last Thursday in a new Maxwell car.

Mr. and Mrs. E. Bull and a daughter returned on Friday of last week from a month's visit in Ontario.

Lost—Gold Ring with Masonic emblem, on Friday of last week. Finder please return to The Journal office.

Miss Maud Ladd, who was visiting her sister, Mrs. Fred Jaynes, returned to her home at Ponoka on Monday.

Rev. M. W. Holdom, of Surrey Centre, B.C., and a former rector of St. Monica's Mission, is visiting with friends at Coronation. Mrs. Holdom and daughters are visiting with relatives in Edmonton.

The Women's Guild of St. Monica's Church will meet at the home of Mrs. John Anselmy on Thursday afternoon, June 19th, at two o'clock. An invitation to attend is extended to all the ladies.

The Security Elevator Co. closed their elevator at Mirror on Saturday last and the agent, Warren Griewold, has gone to Saskatoon to spend the summer in repair work at the company. About 70,000 bushels of grain were handled by the Security at this point since last fall.

Mrs. Hugh Miller, of Ponoka, Convener of the Lacombe constituency of the Women's Institute of Alberta, will be in Mirror on Saturday, June 14th, at 2 p.m., in the Mirror Library, to organize a branch of the Women's Institute in our town. Residents of Mirror and the surrounding district, who are interested in this work, are cordially invited to meet her. Tea will be served at the close of the meeting.

### Mirror Union Church

"Oh grant me my prayer that I may never lose the touch of the One in the play of the many."

Pastor, Albert E. Might.

11 a.m. Church School, 7:30 p.m. Church Service. Subject: "Jesus' Life and God," the second of a series of four sermons relating Jesus to God. The regular monthly meeting of the Sunday School, under Management was held this week.

Ladies' Aid Meeting will be held at the home of Mrs. W. C. McCormack at 2:30 p.m. on Thursday, June 12th.

The Firstfoot Rangers will meet at the Union Church at 7:00 p.m. Friday. There are to date about ten girls and six boys who have signified their intention of taking advantage of the camp at Point Thirteen. For boys the camp will be from June 30th to July 7th, for girls from July 7th to July 14th. Anticipation is that you can help very much in making this enterprise a success by offering to transport the boys and girls from Mirror to Bashaw, from which place arrangements can be made to take them to Point Thirteen. It will mean three trips, boys to Bashaw on June 30th, girls to Bashaw on July 7th, returning with boys, and on July 14, returning with girls. If you find it convenient to offer your services on all three trips use on any one, communicate with A. E. Might.

LAKEBEND SCHOOLHOUSE  
11 a.m. Combined Church and School Service.  
The minister of the Mirror Pastorate will hold services at Lakebend every first and third Sunday at eleven o'clock.

HICKLING SCHOOLHOUSE  
2:30 p.m.—Combined Church and Sunday School Service.

W. H. Stamp was in Edmonton for a day or two this week. Lamerton Municipal Council will meet at Alix on Saturday, June 14th.

J. F. Flewelling has given the addition to his store building at cost of paint.

Keep the First of July in mind. Mirror will put on a monster celebration.

A travelling sign painter has been busy in town this week decorating a number of the business places.

R. Conway is making a number of alterations to the exterior of his residence, opposite the station.

Mr. and Mrs. Norman Spence and daughters, Jean and Elsie, were Edmonton visitors for several days this week.

There was no meeting of the Mirror Board of Trade last Thursday owing to the non-attendance of members.

Meeting of the Mirror School Board will be held in the secretary's office on Saturday evening, June 14th, at 8 o'clock.

Painters are busy on the roundhouse this week. The interior has been whitewashed and a coat of red paint applied to the exterior.

A meeting of the vestry of St. Monica's parish will be held in the Mirror Church office on Saturday afternoon, June 14th, at three o'clock.

Mr. and Mrs. J. W. Spence and grandson Jack, expect to leave on Saturday next for an extended visit with relatives and friends in Ontario.

J. P. Watters is attending the 19th annual communication of the Grand Lodge of Alberta, A.F. & A.M., which meets at Medicine Hat this year.

D. J. Wilson, formerly pastor of the Union Church, Mirror, and who has been in Toronto for the past year, is expected to the Battle Bend circuit for the summer.

Principal Baugh is giving his room an extra half hour in the mornings, commencing at 8:30, and also Saturday mornings for the next two weeks, or until the time for examinations.

Christ and the herd of Christ is God! In opening the ranks great satisfaction was expressed at the freedom of thought in the Church today. Reference was made to the predictions by such men as Marcus Dodd as to the growing conceptions of God and his Christ in this twentieth century. God undoubtedly disclosed his heart in Jesus Christ. The speaker went on to deal with the Church in its effort to meet the needs of its day, to provide: The right understanding of life as nearly as we can approach such an understanding; the purification of the human spirit and the helping hand of grace. In a technical way Jesus was related to God as found in the scriptures and the conclusion drawn was that the truth regarding Jesus' birth and God is Relative and not Absolute. The fact that will endure forever was that through Jesus we have gained a new sense of God's forgiving grace. Jesus is one who touches our consciences and brings us into the very presence of God.
